Dear Principal,

NCHMCT had received 207 and 250 requests from various IHMs for re-totalling of marks pertaining to SEM-IV and SEM-VI respectively of 3-year B.Sc. in H&HA for the academic session 2014-2015. Change in one case of SEM-IV and seven cases of SEM-VI have been detected. Their amended result is attached and the students may be informed.

Results of other students, who had applied for re-totalling of marks for SEM-IV & SEM-VI remains UNCHANGED.

With regards,
